

## Everybody's Lincoln

Launches Thursday, February 12, 2009

Get Lincolnized. The Chicago History Museum is launching an activity on the Museum's website that allows for visitors to Lincolnize themselves. There are 13 illustrated likenesses of President Lincoln available for visitors to add a beard, top hat, or hair to their already existing picture.

Visitors can choose to submit their picture to the Museum, which makes them eligible to be featured in the Museum's summer advertising campaign promoting the Lincoln Bicentennial.

### There are three easy steps to participate:

1. Visit [www.chicagohistory.org/getlincolnized](http://www.chicagohistory.org/getlincolnized)
2. Upload a photograph and select your favorite Abe
3. Get Lincolnized!
