

Aquí en Chicago - Community Awareness Council
Concejal de Sabiduría Comunitaria del Proyecto Aquí en Chicago

This group is made up of intellectual supporters of *Aquí en Chicago*, a project by the Chicago History Museum, who will help us remain aware of communities within the Latino/a/e population of Chicago(land). Our goals are:

- to build relationships among and across the many different Latino/a/e communities
- to bring as many voices to the table at CHM as possible
- to network through this group
- to learn of ways in which the Museum can serve diverse Latino/a/e communities.

Este grupo está compuesto de los consejeros intelectuales de Aquí en Chicago, un proyecto del Museo de Historia de Chicago. Estos consejeros nos ayudarán a estar al día con las comunidades de la población latina/e de Chicago(land). Nuestros objetivos son:

- *Construir vínculos entre y a través de las diferentes comunidades latinas*
- *Aportar el mayor número posible de voces en el CHM.*
