

CHICAGO METRO HISTORY FAIR

Triumph and Tragedy Topics List

We're giving you many broad topics – it is up to you to read more and dig deeper to narrow the topic and find the story you want to tell.

*Consider starting your investigations with a **keyword search** in the [Encyclopedia of Chicago](#) and even do a newspaper search through the *Chicago Tribune*, *Defender*, or *newspapers.com*.*

As you explore, ask yourself, “What is the Triumph or Tragedy (or both) that I can focus on? Will I be able to investigate the ‘how’ and ‘why’—and figure out the ‘so what?’”
