

Thinking Modern

Name: _____

Modern designers created beautiful objects that appealed to buyers. They focused on improving the function and updating the look of a product.

Pick an artifact in the exhibition and consider ways to update it for life today. Be sure to consider technology and/or design elements.

My artifact is: _____

Artifact Features	My Updates

Imagine your object is going to be sold online.
Write the short description for your NEW object.

Draw your updated artifact.

Understanding Modern

Name: _____

Pick an artifact (3-D or graphic art) in the exhibition & answer the following questions:

My artifact is: _____

This artifact is made out of (circle all that apply):

Glass Pottery Rubber Metal Paper Plastic (Bakelite) Fabric Other: _____

This artifact is a good example of streamlined design because it has (circle all that apply based on the type of object you chose):

- Aerodynamic Shape
- Bold Colors
- Rounded Corners
- Eye Catching Elements
- Parallel Lines
- Minimal Words
- Flat Surfaces
- Flowing Lines
- Clean Design (Not Cluttered)

Pick one of the above elements and describe how it is part of your artifact:

Draw your artifact (be sure to include the streamlined elements).
